8) In my opinion the circumstances which led to the appointment of this special officer continue. Once the wheat supplies reach India from U.S.A., the quota which may be allotted by the Central Govt to Mysore will have to be moved. Further in respect of the other allotments of rice & millets from various parts of India, transport question needs careful watching & speeding up. Balances of quotas from Assam & Hyderabad, C.P. and Berars will have to be moved to our State. It is therefore false economy to dispense with the services of this officer. I am in favour of accepting the recommendation of the D.F.S; the services of Mr R.N. Mirza may therefore be continued till the end of June 1946.
